I certify that I have read and examined this application and know the same to be true and correct. I understand that the issuance of a permit does not waive the provision of any state or local law regulating signs or the performance of construction. I agree to call for all inspections required by the City of Lincoln, and allow the City of Lincoln Building Official or other City Representative entry to this property for any inspections pertaining to installation of sign, safety, or health. I agree to pay for any additional inspection fees and mileage.
